Moore

Birthday Suit: It's been a year since Demi Moore showed more of herself on Vanity Fair magazine's cover by appearing naked and pregnant. To celebrate this anniversary, the magazine has Moore on the cover of its August issue again, and she's naked again, except for a painted-on suit. Photographer Annie Leibovitz, who photographed Moore last time, also took this year's cover shot. It took 15 hours for the painted suit to be applied to Moore's body.

Twin Tunes: The twins from ABC's "Full House," Mary Kate and Ashley Olsen, are breaking into the music biz. The 6-year-old actresses who share the role of Michelle on the sitcom will sign a record deal today; they plan to begin recording a children's album for BMG Kidz/Zoom Express and Rincon Children's Entertainment later this month. —BETH KLEID
